Minutes

New Business:

Old Business: The board review letters received from Rebecca Furguson from Trustees of Reservations concerning events at Ashintully. Christina has responded with clarification as to the difference of a Special event versus a Special Permit and Mimi has asked that Ashintully abide by the town requirements for Caterer approval, Police consultation for traffic, and license and insurance verification. The wedding in October will now be only a ceremony, but Ashintully was also requested to file for a Special Permit before scheduling any more events.

Concerning the mix up around our Associate member, Mark and Mike Curtin will be seeing Peter Salinetti in the following week and therefore have an opportunity to confer/invite him to participate.

Large Wind, Small Wind, and Solar Energy by-laws are finalized and we will invite the Selectmen to review them before we ask Mimi to send them on to the Town Attorney for approval. Then we will start on the Public Hearing Process.

When the Sept 2 minutes are available we will review the phrase chosen to itemize Special Events in the by-laws in order to clarify for future reference.

Meeting was adjourned at 8:00 PM

Our next meeting will be Oct 7, 2015

Respectfully submitted, Christina Alsop
